In the Office Action dated October 25, 2005, the Examiner rejected claims 1 – 40 in the above-identified application based on the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1 – 40 U.S. Patent No. 6,758,846. Submitted with this Response is a Terminal Disclaimer to overcome the the double patenting rejection in the present application. With the filing of this Terminal Disclaimer this application should now be in condition for allowance, which action is earnestly solicited.
